Selectmen's Report.

To the Citizens of the Town of New Castle:

The Selectmen herewith submit the annual report to the town for the year ending February 15, 1908.

During the past year, the petition filed in the superior court by the trustees of the estate of Frank Jones against the town has been discontinued.

In the early summer, the late Mrs. Mary E. Martin deeded her property to the town, retaining a life interest in it upon consideration of maintenance for life. The house badly needed shingling, painting, etc., and accordingly \$263.07 was expended in making the necessary repairs, with the result that the house is in excellent condition.

With Mrs. Martin's decease in January of this year, the property passed to the town, and we beg leave to call your attention to the article in the warrant relative to what disposition shall be made of it.

Since the sale of the old gravel pit some years ago, the town has felt the necessity of acquiring another one, and the Selectmen have purchased therefor the gravel pit belonging to the estate of Miss Jennie P. Tarlton for \$150.00, the deed also including a large tract of land through the adjoining cemetery, which will be available for a right of way to the second highway district. A right of way was also given in the deed through Neal's lane, so called.

The proceedings relative to the ancient highway across Sandy Beach is pending, final report not yet having been made by the Selectmen to the petitioners.

Respectfully,

ROBERT H. HARDING,
WILLIAM I. HAYWOOD,
ANDREW B. WHITE,

Selectmen of New Castle.

Report of the Board of Education.

The Board of Education respectfully submits the following report of work in the schools for the year ending Feb. 15, 1908:

The Grammar school has been in charge of Miss Ida J. Hardy, a lady of estimable character and excellent qualifications. Her work has been successfully carried out through the year.

The Primary school has been in charge of Miss Maude H. Trefethen, where she has successfully continued her work through the year. Her interest and results can best be appreciated by a visit to the school.

Having good teachers, we should endeavor to retain them.

CHESTER A. BECKER,

JESSE O. WHITE,

Board of Education.
